**REQUEST TO WITHDRAW
OF ANNE ARUNDEL COUNTY**

Anne Arundel County, Maryland ("County") hereby asks to withdraw its Application for Review, dated August 6, 2003, of the staff order preempting portions of the County's wireless zoning ordinance.¹ One year after the filing of the Application, the Commission issued a decision in the 800 MHz interference rulemaking, and supplemented that order in December of 2004.²

Because the County believes that these orders provide a framework for addressing the issues of commercial wireless interference to public safety systems at 800 MHz that were the objects of its ordinance, the County requests withdrawal of its Application for Review.

Respectfully submitted,
